**UNIVERSITY PARK SERVICES**

**MANAGEMENT & LEASING OFFICE**

The Management & Leasing Office is located in the East building in Apartment 113, and is the center of our management leasing operations. Stop by the office or call 304.293.7275 to get information about your lease, rental account, facilities issues, or any other questions you may have about University Park. The Leasing Office is also a great resource for questions about the campus, the area, contacting our staff, and other general information.

**LOCK OUT & LOSS OF KEYS**

If you are locked out of either your apartment or bedroom, please visit the Leasing Office for assistance during business hours. If the lockout occurs after hours, please call 304.293.4357.

- If a resident is locked out during business hours, the resident will not be charged. However, if lockout requests become frequent, a charge may be assessed of $25.00.
- If resident is locked out after business hours, the resident’s account will be charged $25.00.
- If a resident loses the entry door key, and/or apartment door key – please contact Card Services in replacing your student ID at phone number 304.293.2273 or [www.wvucard.wvu.edu](http://www.wvucard.wvu.edu)
- If resident loses the bedroom key, a replacement key maybe requested in the Leasing Office for a fee of $50.00
- If resident loses a mailbox key, please contact the local United States Postal Service for lock change details and fees.

All charges listed above will be charged to the resident’s account and due without any additional notice immediately after the replacement request or core change request is completed.
PAYMENT OF RENT

Rental payments are due and payable on or before the first (1st) day of each month. Payment for rent can be made online using the same process by which you pay tuition and fees via the Student Portal – http://portal.wvu.edu. Should you choose to pay in person, Student Accounts Office is located at the Mountaineer Hub, within Evansdale Crossing at 62 Morrill Way. The office accepts credit card, debit card, money order, check, and cash payments. If payment is by check, please remember to write your WVU ID number and apartment number on the memo line. Please note the rent must be paid in full by the payment deadline to avoid a late payment fee.

If you need help making an electronic payment through STAR, please see the tutorials at http://studentaccounts.wvu.edu/billing

IMPORTANT NOTES

• When making a debit card payment, many financial institutions have a daily debit limit that can prevent a Web transaction on STAR from processing. If your debit card is declined you will experience a blank payment page. You can contact your financial institution and ask that they temporarily raise the limit to enable this payment to process. In such an event, you are responsible for making payment by another means by the payment deadline if you wish to avoid late penalties.
• A two and one-quarter percent (2.25%) processing fee will be assessed on all credit and debit card transactions. There is no charge for an electronic check or Automated Clearing House (ACH) transaction. Rather than using a debit card you may want to consider electronic check or ACH transaction.
• On the second (2nd) day of each month a one and one-half percent (1.5%) late fee will be applied to your Student/resident account for any balance due equal to or greater than $200.
• Any rent not paid when due will be reasonable grounds for non-renewal and potential termination of your lease.
• Outstanding balances above $400 will be sent to collections after ninety (90) days past due.

NON-SUFFICIENT (RETURNED) CHECKS

• If WVU receives a returned check for non-sufficient funds (NSF) from your financial institution, you are required to repay the amount of the check and all additional charges that maybe assessed.
• All returned checks are charged a non-refundable twenty-five dollars ($25.00), in addition to WVU’s late fee policy.

After two (2) NSF checks, the Cashier’s Office will no longer accept personal checks from you; only certified checks or money orders will be accepted.

SECURITY DEPOSIT INFORMATION

Any security deposit paid at the signing of your lease is held by WVU until your lease expires or terminated. Upon vacating the unit, Management will inspect your unit and cross-reference your move-in condition form completed at the beginning of your lease term. Within 45 days of your lease expiration,
WVU will return any remaining security deposit, along with a written itemization of the charges. If your security deposit is not sufficient to cover any charges, the invoiced amount must be paid immediately.

If you breach the terms of your lease agreement, WVU reserves the right to apply your security deposit to any damages it suffers as a result of such noncompliance. Please refer to your lease for further details.

**LEASE TERM AND RENT**

Your lease term is further defined in your lease signed with WVU. Should you desire a copy of your lease, please stop by the leasing office.

**RE-LEASING PROCESS**

This is also known as: subleasing, re-letting, or assignment.

You shall not sublet your unit without prior written permission from Management. Prior to beginning this process, the balance on your account must be current and in good standing. In order to receive permission, you must submit your request on the form provided by Management. Written approval will not be provided until Management approves the new resident, the new resident signs all applicable documents, pays a security deposit and the current resident pays a $200 subletting fee.

You shall vacate your apartment prior to midnight on the date set with Management. You must take all of your belongings. Any items left in the unit will be removed at your expense. You are personally responsible for returning all keys to Management prior to or on the checkout date. Management will not accept keys from anyone other than you, including, a roommate, a relative, a friend, re-lessor, as means of checking out or leaving such in the apartment. If your keys are not returned at the time of checkout, you will be charged for the core changes of each key not returned. Upon vacating, you must clean the apartment and follow the move-out terms set forth in the lease. Your security deposit will be returned within the timeframes provided for in the lease.

**CONSEQUENCES OF SUBLETTING WITHOUT APPROVAL**

Subletting a University Park apartment to an unapproved individual is strictly prohibited. If a person is found residing in your apartment, University Park will take the necessary steps to remove that person. You, as the resident, will be held responsible for any costs incurred and remain liable for all rental payments.

Selling and/or advertising accommodations on social media/internet sites such as Air B&B, Craigslist, and other similar sites is also strictly prohibited.

Failure to check in through Management is subject to a $200 administrative charge. Failure to check in or out at the Leasing Office is also subject to a $100 improper check in/out fee. Furthermore, current residents who do not properly check their keys into a staff member are subject to a $150 core replacement fee in addition to a $25 per key replacement fee. Only residents will be permitted to sign out the replacement keys in such circumstances.

To avoid incurring these charges and judicial sanctions and preserve the security of our community, all residents shall use the re-leasing process to assign leases to new applicants.
TRANSFER INFORMATION

If you desire to relocate from one apartment to another, the move must be approved in writing by Management and must adhere to the following procedures:

1. Prior to approval, Management will check the apartment currently occupied.
2. The apartment currently occupied must be cleaned and in an acceptable condition, as determined by Management, before the transfer will be granted.
3. Approval for transfer will be given based on Numbers 1 and 2, if a suitable apartment is available, and the resident requesting the transfer is in good financial standing with WVU.
4. All conditions set forth in the checkout procedures must be met and a new lease shall be signed.
5. A transfer fee of $200.00 dollars shall be paid by the resident(s) requesting the transfer.
6. Any cleaning or maintenance charges not considered normal wear and tear for the transferring apartment will be assessed to resident’s account.

CONTINUING LIABILITY

In addition to being eligible to live in University Park when you apply, it is your responsibility to maintain eligibility throughout your lease term. If you do not maintain your affiliation with West Virginia University, your lease may be terminated and all unpaid monthly installments become immediately due and payable as liquidated damages. Examples of situations that may fit this category include, but are not limited to, expulsion or suspension for violation of West Virginia University Student Code of Conduct.

If you feel there are extenuating circumstances around your situation such that you should be allowed to remain in University Park, despite no longer being eligible, please submit a written appeal to University Park Management. Please note that submitting your keys to the Leasing Office does not terminate your lease; you will continue to be financially responsible for such term.

CHECKOUT

It is the responsibility of each resident to arrange a check-out appointment with Management. The appointment shall be scheduled at least three (3) days prior to checkout. Checkout is not complete until all keys have been returned. If a resident fails to return all keys issued within two (2) working days of vacating date, lock changes will be initiated and the resident will be charged a fee.

When you are ready to move out of University Park, you are required to leave the apartment in the same condition as it was at the time of initial occupancy, barring normal wear and tear. The apartment must be free of your personal possessions and the woodwork, walls, cabinets, closets, plumbing fixtures, range and floors/carpets must be clean. Any damages and/or cleaning necessary in the apartment will be resident’s financial responsibility.

Residents staying beyond the contract end date will be assessed a daily rate of $150.00 per day.

MAIL & PACKAGES

United States Postal Service controls and manages the mailboxes at University Park. WVU does not retain copies of mailbox keys, and therefore, does not have access. Mailboxes are located near the main
entrance of each building. Each apartment has one mailbox, so you do not need to include your bedroom letter in your address, only the apartment number and building address. Please make sure that your friends, family, and associates know your correct building address – improperly addressed mail is considered misdirected and may not be delivered. Packages are received at the Leasing Office, and must be signed out. However, packages that are not picked up within a two-week period will be returned to sender. University Park staff will not be responsible for any packages delivered, including perishable items such as flowers and food.

The United States Postal Service (USPS) will serve University Park, and mail to or from campus will require postage in order to be delivered.

PACKAGE ACCEPTANCE/PICKUP

Upon commencement of your lease, the Leasing Office will accept packages on your behalf. Packages small enough to fit in your mailbox will be placed there; larger packages will be kept at the Leasing Office. It will be your responsibility to check with the office staff. To retrieve a package from the Leasing Office, be sure to bring your photo ID so your package may be released.

Please ensure packages have your name and apartment number clearly marked with the correct address as below:

**North Building Residents**
Your mailing address should be written:
Your Name
475 Oakland Street
Apt. XXX
Morgantown, WV 26505

**East Building Residents**

480 Oakland Street
Apt. XXX
Morgantown, WV 26505

**West Building Residents**

We recommend that you file a change of address with the US Post Office when you move in and out of your apartment to minimize the interruption of your mail service. **CONSERVATION MEASURES**

- Turn off all lights when you leave a room;
- Do not run water longer than necessary;
- Turn off all appliances when not in use;

- In summer months, leave the thermostat at 74 degrees or higher. Close the blinds in the morning to reduce heat from the sunlight and open the blinds in the evening. If you leave your apartment for more than three days, set the thermostat to 85 degrees in the summer and 68 degrees in the winter;
- Close all windows and doors when the heat or air conditioning systems are in use;
- Schedule your loads of laundry and dishes to allow you to run the washing machine and dishwasher with full loads every time; and
• Do not block air vents with furniture or other items.

**WORK ORDERS/MAINTENANCE TICKETS**

Work orders allow you to request a maintenance technician to repair a problem in your apartment, bedroom, or community. All residents can access the online work order system through their resident portal available at [http://fsd.wvu.edu](http://fsd.wvu.edu). When filling out a work order, please be as detailed as possible. For example, “Dryer is not heating” is much more informative than “Dryer broken.” This kind of specific information will allow the maintenance technician to diagnose the problem and complete your repair.
much more quickly. If you have questions or concerns about your work order, please feel free to contact WVU Facilities at (304) 293-HELP (4357).

**PREVENTIVE MAINTENANCE**

Occasionally, a maintenance technician will post a notice to enter your apartment in order to perform preventive maintenance on the apartment systems. The preventive maintenance checklist includes tasks such as changing the air filter in the HVAC system, checking the water temperatures of the bathtubs, checking airflow temperatures from the vents, checking the plumbing for leaks, and cleaning the HVAC coil. When you receive this notice, please ensure that all of these areas are accessible for the technician.

University Park also provides a preventive maintenance pest control program. It is very important that the apartment be clean at the time of this service. The treatment consists of fast-drying gel bait; no sprays will be used for the preventive treatment.

**FACILITIES FAQ’s**

We have collected the most frequently asked facilities questions for your reference. This information will help you set up your apartment and maintain it throughout the year.

### What do I do if I lose power to my apartment?

**Apartment:**
- Determine if there is a citywide power outage by looking out your window for streetlights. If there is none, power will be restored once the local Electric Company can resolve issue.
- If the power is out in a specific area of your apartment, find the breaker box, which is contained in a metal panel located in your hallway. There are breakers (switches) in this metal panel. Each breaker should be facing the same direction. A tripped breaker will sit between “off” and “on.”
- Locate the breaker that matches the specific area where the power outage exists (e.g., the bathroom or kitchen) and flip that breaker off and then on.
- When power is restored, all of the breakers should be facing the same direction.
- Check that you are not placing excessive equipment on the circuit or else the breaker might continue to trip, causing loss of power. For example, if you have lost power to the kitchen area and you reset the breaker, but it trips again, check to see what is plugged into the kitchen outlets. If you have a bread machine, a toaster, a mixer, and a microwave all on the same circuit, you might be creating an overload condition. In this case, unplug one or two of the items and then try resetting the breaker.
- If the power remains out, and the breaker will not reset, submit a work order.

### What do I do if I lose power at specific outlets only?

**Bedroom, Bathroom or Kitchen outlet:**
- These rooms have special safety outlets called “GFI Outlets.” GFI outlets have two buttons: a test button and a reset button. Simply push the reset button to restore power.
- If the outlet still does not reset check the breaker box to see if that breaker has tripped. Each breaker should be facing the same direction. A tripped breaker will sit between off and on.
- Flip that breaker off and then on.
- If the outlet still does not work, submit a work order.

### Dishwasher – I used regular dish soap and it is now foaming everywhere?

- If this happens, you have either used regular hand dishwashing soap in the dishwasher or used too much dishwasher detergent. You MUST use dishwasher detergent, and follow the manufacturer’s suggested usage amounts.
- If you have used a non-dishwasher product, open the door and keep it open for about 2 hours to allow the bubbles to evaporate. Pour a cup of cooking oil into the tub and run the “RINSE” cycle. You may have to repeat this two or three times until the foam disappears.

### What do I do if my toilet is clogged?

- Attempt to plunge it. Management recommends purchasing a plunger for each apartment.
- If water is overflowing – turn off water. There is a valve located on the underside of the toilet. Every effort must be taken to mop up excess water.
**How can I hang pictures/posters on my wall?**
- To hang pictures, the goal is to minimize the damage to the walls. We recommend that you hang pictures with tacks and picture hanger hooks.
- Do not use screws, nails (except finish nails), tape, adhesive pads, or putty of any kind. If you choose to use these items you may be charged for damaged walls.

**Are there changes I am not allowed to make?**
Major improvements, alterations, or damages to apartment or the building shall not be made including, without limitation, the following:
- Installing appliances or other major items that are not standard or provided.
- Relocating the washer and/or dryer when they are already installed.
- Installing hobby equipment, for instance, a pottery wheel and related hardware.
- Installing bars, room dividers, built-in-bookshelves/cases, etc.
- Removing or disabling any installed system equipment, such as heating units, plumbing, locking, and security devices.
- Tampering with fire alarms and fire extinguishers are prohibited.

**What does the fire alarm sound like, and what should I do if I hear it?**
- Smoke detectors within your apartment will not sound the building alarm system.
- DO NOT open your apartment door in airing out false-alarm smoke – this will alarm the building fire system.
- Fire Alarm will sound if smoke is detected in the hallways. The alarm will be a loud “honk” and strobe lights will flash throughout the building. You should calmly and immediately exit the building.
- DO NOT use the elevators.
- Once outside the building, walk to the outside of the complex and walk towards McDonald’s. The fire department will clear the building, and determine if it is safe to return.

**Why can’t I hang anything from or near the sprinklers?**
The sprinklers are extremely sensitive. If tampered with, they may go off, causing the unit to flood very quickly.

**What should I do if my apartment has a pest control problem?**
The first thing you should do is clean your apartment, as pests usually result from unsanitary conditions, such as improperly stored food or organic residue in your garbage can. If the problem persists, submit a work order so that our maintenance staff may evaluate the problem. The maintenance staff will have our pest control company treat your apartment on their next visit. If possible, capture a sample of the pest, so that our pest control vendor may accurately identify the species and treat accordingly.

**Will the maintenance staff change light bulbs for me?**
The maintenance staff does not provide lightbulbs for residents. If you are having trouble changing one, put a work order in and a maintenance tech will be up to assist with this, pending the lightbulb is left out for them to use.
**What should I do if my air conditioning stops working?**

If your A/C stops working, please check to be sure that the HVAC closet door is not blocked. The air handler in your unit needs an air source in order to circulate the conditioned air within your apartment. If this does not resolve the issue, call the Leasing Office to determine whether there is a building-wide outage. If not, please submit a work order.

**What would happen if someone damages the furniture or flooring in the apartment?**

If damage to the common area furniture/flooring is brought to Management’s attention or noted during an inspection, it will result in an equal split fee among the roommates in the apartment, unless someone admits full responsibility. Please take care of your furniture/flooring by not allowing roommates to smoke, bring in bikes, or use hookahs in the apartment.

**What can I do to ensure that I don’t receive damage/cleaning charges?**

There are several steps that you can take to ensure your apartment in good condition at the end of your lease:

- Clean your apartment at least once a week. Pay special attention to vacuuming the carpets, cleaning the toilets, bathtubs, sinks, tile floors, oven, stovetop, drip pans, microwave, refrigerator, and countertops. It is wise to set up a cleaning rotation between all residents to ensure a clean apartment at check-out.
- Keep your walls in good condition: hang only one or two pictures per wall using the methods recommended above, and do not place furniture directly against the walls.
- Put a mattress pad or mattress cover on your mattress to protect it from stains.
- Do not install additional items such as shelves, hooks, over-the-door hooks.
- Vacuum regularly.
- Follow the instructions in your move-out letter to prepare your apartment for move-out. Be sure to coordinate your move-out preparation with your roommates, since common area issues are billed to all residents of the apartment.

**APARTMENT CONDITION SHEET**

At move-in, each resident is given an Apartment Condition Sheet during receipt of keys. This sheet shall be completed and returned to the Leasing Office within 24 hours of move-in, and is designed for your protection. If assistance is needed in completing the sheet, please contact management at 304.293.7275. Failure to complete and return the Apartment Condition Sheet within 24 hours after moving in implies you have accepted the apartment on an as-is basis.

**EMERGENCY PREPAREDNESS**

Although we hope emergencies will not happen, it is best to be prepared. University Park staff will do their best to help you, but you need to do your part as well. Follow the three steps below and you will be ready!
UNIVERSITY POLICE DEPARTMENT

The University Police Department (UPD) provides patrol and response services to the University Park community.

WVU is now live with an app known as LiveSafe. This app can be downloaded on your Apple and Droid mobile devices free. We highly recommend and encourage our residents to download this app to assist WVU maintaining a safe environment. If an emergency arises, please contact the WVU Police at 304.293.2677 or dial 911.

SAFETY TIPS

Living on campus does not exempt you from possible threats to your personal safety. Thus, please use the following precautionary measures to minimize existing dangers and hazards in the environment.

PERSONAL SAFETY PRECAUTIONS

- Do not walk or bike alone after dark; walk with friends or in a group.
- Utilize the LiveSafe app.
- Walk in well-lit and well-traveled areas.
- Constantly be aware of your surroundings.
- Be wary of persons you do not know, or appear to be acting strange.
- Report suspicious persons or activity to the police.
- Stay away from relatively isolated areas.
- Plan what you will do if confronted by a potential assailant (run, scream, fight, and try to gain his/her confidence while waiting for safe escape opportunity).
- Have a cell phone readily available.
- Have a friend or family member know your whereabouts.

APARTMENT SAFETY PRECAUTIONS

- Keep your apartment and bedroom door locked at all times, even if you or one of your roommates is home.
- Carry your keys with you at all times, and do not mark your keys with your unit number.
- Make sure doors close and latch behind you.
- Confront persons you do not know; if you cannot confront, report suspicious persons to the UPD and your Leasing Office.
- Report damaged or malfunctioning doors, locks, etc. to the Leasing Office.
- Report “salespeople” or “solicitors” to your Leasing Office; they do not belong in the building.
- Escort your guests at all times.
- Do not prop doors open.
- Do not allow people to enter the building behind you, even if you think they may be a resident. This kind of “tailgating” is how criminals may gain entry to buildings. Your neighbors will understand and appreciate your caution.
- Use your peephole to determine who is knocking at your door.
- Get to know your neighbors and watch out for one another. If you see or hear anything suspicious, or witness any illegal activity, notify the police immediately.
MAKE A KIT

You should have a few emergency supplies stashed away in case of an emergency. Ideally, you should have two kits, one in your apartment and the other in your automobile. These kits should include: water & food (non-perishable), can-opener, first aid supplies, flashlight/batteries, battery-powered AM/FM radio, and medication or any other special item you cannot do without.

If you are evacuated to a campus emergency location, you may only bring one piece of baggage, be sure that you have the following supplies accessible to be quickly packed at all times: clothing, pillow/blanket, towel & soap, toothbrush/toothpaste, shower shoes, medicine, flashlight, padlock, phone card, chargers, snacks, something to do (books, games, etc.).

MAKE A PLAN

If an emergency occurs, you want to know what your resources are and have a plan ready. Keep the following issues in mind when drafting your personal emergency plan:

- If you had to evacuate campus for a few days, where would you go in the local area?
- Do you have an out-of-state contact to help you communicate with your family members? It may be easier to make a long-distance phone call than to call across town if local circuits are busy.
- Will our staff be able to contact you with updates about the situation? Make sure you keep your emergency contact information up-to-date with University Park Management.

Be Informed...

FIRE PREVENTION

- Only use power strips with a UL seal and that are not frayed or worn.
- Limit the number of appliances that are plugged in or in use at one time.
- Do not use or possess fireworks, lighted candles, flammable fuels, or space heaters.
- Do not use or possess torchiere halogen lamps or halogen bulbs.
- Do not smoke or allow others to smoke in your room or anywhere in the building. WVU and University Park are tobacco free.
- Do not tamper with smoke detectors, sprinklers, or other life safety equipment.
- Do not allow anything or anyone to touch sprinklers.
- NON-UL listed Razor Hover boards are prohibited

FIRE ALARM PROCEDURES

If the fire alarms sound, you must evacuate the building immediately. Exit your apartment and go to the nearest stairwell – do not use the elevator if the alarms are sounding! Go down to the first floor, exit the building, and proceed to the assembly point listed in below. Remain at the assembly point until an official member authorizes you to re-enter the building or directs you to another location.
**EXTERIOR ASSEMBLY AREA**

Please contact wvuupark@mail.wvu.edu to request the evacuation plan for your building in the event that the building fire alarm system sounds off. Proceed to the safest location away from the complex. Contact roommates to inform them on any situation. Once at a safe location please wait for further instructions.

**SMOKE DETECTORS**

Your unit and building hallways have been fitted with wired smoke detectors. Smoke detectors can be very sensitive while cooking, and precautions should be taken to prevent false alarms. In the event of a false alarm during cooking, refrain from opening the apartment door. Open all windows and turn-on any fans.

The smoke detectors in your apartment will not activate the building alarm. However, should smoke fill the hallways of the building, this will engage the building alarm system, and evacuation procedures must be adhered to.

The sprinkler system is designed to automatically activate should sufficient heat reach the head. Each sprinkler head operates independently, and will activate the building fire alarm system. DO NOT touch, hang, or disturb sprinkler heads in any way to eliminate the false activation of the system.

...ABOUT EMERGENCY READINESS

**RENTER’S INSURANCE**

You are responsible for obtaining renter’s insurance for your personal belongings and to protect yourself against any liability. University Park does not provide coverage for your personal belongings, property damage or bodily injury. If you, or your guests, suffer a loss due to fire, flood, vandalism, theft, or other cause of loss, University Park insurance will not cover these costs.

In general, renter’s insurance is not expensive, and can provide substantial protection and peace of mind. You must obtain a renter’s insurance policy with coverage for personal property and at least $100,000 liability.

Most insurance providers offer policies with the following options:

- Replacement of your belongings or compensation for their actual value.
- Additional living expenses.
- Emergency housing compensation.
- Personal liability coverage.
- Medical payments to others

If your parents or guardians have a homeowner’s insurance policy, they may be able to cover your belongings under their policy, but you should carefully weigh the advantages of an individual policy. Many policies do not cover a resident’s liability when causing damage to the property/unit.
On behalf of the staff and Management of University Park, we want to thank you for choosing University Park to be your home while at WVU, and we hope you enjoy living here.

Should you have any concerns during your residency, please stop by the office, call (304) 293.7275 or email: wvuupark@mail.wvu.edu.

Thank you!
